

## **OBSERVANCE OF A MOMENT OF SILENCE AT ATHLETIC EVENTS**

*Policy Code:*

**5031**

---

The Elkin Board of Education hereby authorizes a moment of silence to be observed at the initiation of all sanctioned athletic events held on the campus of Elkin High School. The public address announcer shall call for this moment of silence by reading the following:

Ladies and gentlemen, may I have your attention, please?

Let us wish our student athletes a safe and competitive game, free from hurt and personal injury. Also, may we consider our own moral responsibility, as players and fans alike, to practice the best sportsmanship and to conduct ourselves as proud citizens of our schools and our communities? Now, let us all stand and observe a moment of silence.

(SILENCE)

Ladies and gentlemen, our National Anthem!
